

Callus? Peel It Off Quickly!

Nothing on Earth Like "Gels-it" for Corns and Calluses.

A spot of thickened skin on the bottom of your foot which so often makes walking an agony is as easily removed by wonderful "Gels-it" as any

Callus Comes Off Like Banana Peel

hard or soft corn anywhere on your toes. Look at this picture. A few drops of "Gels-it" do the work. The callus comes loose from the true flesh. No irritation whatever. You peel the callus right off just like a banana peel—peacefully, painlessly. "Gels-it" does the same thing to any corn, without the use of sticky plasters, irritating salves, greasy ointments or bandaging tapes. There's no fussing—no knife, no scissors to use. "Gels-it" is used by millions, because it's common sense, and it never fails. Try it, prove it. "Gels-it" is the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.

MOHEGAN

Mr. and Mrs. Burke have sold their place and will live in New Haven. George Sturges of New London was in Mohegan Sunday. Loretta Fielding and Gladys Quidgeon were in New London Sunday. Edith and Thelma Strickland of New London have been visiting their grandparents, Mr. and Mrs. Quidgeon.

Seymour.—Mrs. W. L. Ward completed a new silk service flag for Trinity church which was in place Easter Sunday morning. It has 36 blue stars, also one gold star for the late Frederick Marshall, and a red cross for Miss Helen A. Bronson.

THORNDYKE 24, KEMPTON 24. Particularly well adapted for wear with string bow.

DANIELSON

Killingly's Victory loan drive received another fine upward boost Monday morning, when it was announced, following a meeting of the directors of the institution, that the Danielson Trust company had subscribed for \$25,000 worth of bonds. This gives the town \$50,000 in bank subscriptions as a start on its way to secure at least \$250,000 in subscriptions.

District Chairman Charles T. Tillinghast was optimistic Monday when discussing the prospects of the success of the drive, now in full swing.

Workers were busy Monday in every town in the district, and a race is on, apparently, to see which town will go over the top first. This honor may go to some of the towns with comparatively small amounts to raise, but one never can tell for Plainfield and Killingly have splendid working organizations and they may give the towns with smaller quotas a race for the honor.

Small subscriptions did not come in rapidly Monday, as has been the rule in all of the loan drives, but there is expected to be a flood of these within a few days.

Sidney P. Marland, who is boosting the Welcome Home minstreis, said on Monday that plans are shaping up wonderfully well, and that about everyone seems to be willing to lend a hand, or a voice, in making a big success of the affair, which is for the boys of the army and navy who went out from Killingly.

F. E. Cunneen is to be the interlocutor and the end men signed up are Alfred L. Reed, Robert Bellin, Attorney E. T. Darling, Chief A. P. Woodward of the fire department, Cashier Francis E. Storer and Harold F. Glendinning, who was sergeant major of the 56th Coast Artillery and who was overseas for a year. Already there are many indications of what this wonder show is going to be like. There was an effort Monday to keep it a secret, but it was not to be.

At the fact that Attorney Darling and Chief A. P. Woodward are going to sing a duet. And that's worth an exclamation point, will it not, in the opinion of all those who are cognizant of their vocal abilities. Perhaps, also, if pressure can bring the desired result, Chairman T. Tillinghast may be induced to go on the programme as an Oriental dancer. This show "gets 'em all," is the slogan of the managers, and if they can't get the talent they are anxious to have, they will resort to a modified "selective service" programme to carry out their aims.

The Girls' club is lending a hand toward making a big success for the boys who have been in the service, and from all quarters comes encouragement pointing toward the big success of the venture.

It was announced Monday that the Quinebaug company, with mills here, and the Wauregan company, with plants at Wauregan, have arranged a system under which their employees who invest in Victory loan bonds will be assured full return on their investment, on fully paid up bonds taken through the subscription campaign that the companies will conduct. Bonds sold to employees in the canvass that will be made at the mills will be carried in such a way that those who buy them may make weekly payments thereon. When a bond is fully paid for the companies will be prepared to protect employees against any loss, paying them back the face value of the bond in case the owner must sell it to get ready money. The Danielson Trust company also has arranged to take subscriptions on a very liberal basis, selling \$50 bonds at 10 per cent. cash upon subscription and as low as one dollar a week in other payments.

Attractive tenement to rent. Large room on first floor, each room running water, heat. Spacious grounds for garden, room for two cars. Beautiful summer home. Apply Windham County National bank—adv.

The real estate market continues exceedingly lively in Danielson. Daily transfers are being made and it is a

case of "moving day" for many families. The special side-light of interest as pertains to real estate, however, is that new building operations are practically at a standstill here. "We are waiting for less expensive building costs" is the slogan, and this is delaying Danielson's growth, which it has a wonderfully opportunity to make right now.

It is stated that Noe Provost, injured in an automobile accident near Bolton Notch a week ago Saturday, is doing well as convalescing at St. Joseph's hospital in Williamstown and that his recovery seems assured. Mr. Provost lost his right leg at the knee as the result of the accident, which will be followed, it is stated here, by legal proceedings in his interest.

Though Town Clerk and Mrs. Frank T. Preston have received no word for several weeks from their son, Raymond A. Preston, Mr. Preston believes the young man, who served in Italy and in France with the Brown ambulance unit and who saw arduous campaigning, is on his way home.

Mr. and Mrs. Abner Weisberg and daughter of Hartford and Benjamin Weisberg of New York are the guests of Mr. and Mrs. A. Westberg of Academy street.

Private Victor Perreault of the 102nd Infantry has returned to Camp Devens after spending a leave at his home here.

Total receipts here from the Tag day were \$347.26, Chairman F. E. Cunneen announced Monday, when final reports had not been received from other parts of the town. Miss Marion Reed, High street, led the collectors with a total of \$53.56. Miss Helen Rose was second, with just over \$44.

George O. Thomas is in Boston today on a business trip. Henry B. Welch of Meriden was a visitor with friends in Danielson over Sunday.

At one of the borough's churches, so its treasurer announced Monday morning, the Easter collection plates contained four dollars and 10 cents, the garden seed, something new in the way of contributions, and one not without merit.

BROOKLYN

J. Dyer Potter of Norwich has moved his household goods upon the farm he bought from his aunt, Mrs. Charles J. Reynolds, and has taken possession of the property.

Mr. and Mrs. William H. Danielson, after a few weeks' visit with relatives in Hartford, have returned to their home.

Mrs. George E. Baker has received a card from her son, Corporal Elbra, that he will soon be sent home. He with his brother Ethian has seen service across the sea.

Mrs. Alida P. Weaver, having spent the winter in Florida, has returned to town and has opened her house.

Mrs. John Wood, teacher in the higher grade in Center school, enjoyed a brief visit from her husband the past week. He is still in the army, but has since been sent across the waters to France.

Mr. and Mrs. Herman Lathrop have as their guest their nephew, Russell Williams, of Williamstown.

Raymond Kimbrough, son of Rev. and Mrs. A. E. Kimbrough, late of this place, was a caller on friends for a short time while on his way to visit his parents in Leyard. He has just returned from France, where he served in the medical branch of the army.

Miss Marion Pike of Providence was with her mother, Mrs. Mary E. Pike, over Sunday.

C. Edwin Blake of Hartford spent Sunday with his parents, Mr. and Mrs. Charles H. Blake.

Rev. W. H. Buff of Boston supplied the Baptist pulpit Sunday.

New Haven.—The next entering class of the Connecticut training school for nurses connected with New Haven hospital is due to begin its three years' course June 1.

HOW TO BE RID OF DANGEROUS DANDRUFF

If you have dandruff you must get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't.

Dandruff heads mean faded, brittle, scraggly hair that finally falls out—new hair will not grow—then you are hairless and nothing can help you.

The only sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, surely and safely, and at little expense, there is nothing so effective as Parisian sage, which you can get from Lee & Osgood Co. and good druggists everywhere. It is guaranteed to banish dandruff, stop itching scalp and falling hair, and promote a new growth, or the cost, small as it is, will be refunded.

Pakistani sage is a scientific preparation that supplies all hair needs—an antiseptic liquid neither sticky or greasy, easy to apply, and delicately perfumed.

If you want beautiful, soft thick, lustrous hair, and lots of it, by all means use Parisian sage. Don't delay—begin tonight—a little attention now insures abundant hair for years to come.

PUTNAM

The twenty-sixth annual concert and ball of Cargill council, K. of C., first of the Post Lenten dances, was attended Easter Monday evening by a large number, representing Putnam and all the surrounding towns.

The ball was held in Union hall, which had been artistically decorated by a Hartford firm. The program of the evening was done in national flags, effectively draped and festooned, while national colors and combinations of purple, green and white were used in the main body of the hall to attain one of the prettiest effects seen at a ball here in a long time. The emblem of the Knights of Columbus was displayed at the top of the procession arch.

The ladies' retiring room was also decorated with American flags.

The grand march was led by Mr. and Mrs. Edward Mullin. The gowns this year were particularly attractive and the whole picture of the ballroom during the evening was delightful.

The concert and dance music was played by Hey's orchestra of Whiteville. The concert program was as follows:

March, "On to Plattsburg" Lowe Valse de Concert, "The Skating Waltzes" Harris

Overture, "Sunshine and Showers" Eugene Potpourri, Selections from "The Beggar's Opera" and "Jack O' Lanterns"

"When We Take That Trip Across Rhine," "Tommy," "Have a Little Regiment of Your Own," "My Word, Ain't We Carrying On," "The Better 'Ole"

"When You Look in the Heart of a Rose," "The Better 'Ole"

"Won't You Wait 'Till the Cows Come Home" (Jack O' Lanterns)

Final, "Daughters of the American Revolution"

Bernard J. McGarry was floor director and his assistants were Frank S. Hart and Arthur J. Brodeur. The committee in charge was made up of Edward W. Mullin, chairman; Arthur J. Brodeur, Armand Montville, Frank S. Hart, James Charron and Bernard J. McGarry.

The reception committee consisted of William Desaulniers, Napoleon Bonnot, Jr., Armand Valade, Thomas Howarth, Alfred Maynard and Willis B. Carroll.

From every viewpoint, the annual event of Cargill council was a pronounced success, thoroughly enjoyed by all who attended. Numbers on the dance program were dedicated to council officers, the district deputy, the Red Cross Nurses, Salvation Army Ladies, President Wilson, General Pershing, Marshal Foch, Lloyd George, King Albert, King Vittorio Emanuele.

The sale bonds of the Victory issue opened here in a promising manner Monday. Late in the afternoon no definite estimates were available as to the sales that were made during the day, but there was a steady demand for Uncle Sam's bonds, and best offering and there seemed little doubt that there is prospect of widespread sales as the campaign advances. The largest individual subscription of here Monday was for \$3,000. Up to Monday afternoon no announcements of subscriptions by the banks had been made, these to be expected later. Headquarters were opened Monday in the old postoffice quarters in the Union block, and the busy man or woman anxious to place an order for a bond and have it over quickly can do so at any time and will find the attendants ready to do

WAR SHOCKED NERVES NEED PHOSPHATE

Director Of New Alien Bureau

Ordinary Nitro-Phosphate Best Thing To Strengthen Weak Nerves and Increase Strength and Vigor

According to a noted French Scientist the most effective remedy for nervousness, insomnia and ailments due to depleted nerve force, is a form of organic phosphate known as Nitro-Phosphate.

It is described as a substance which is similar in composition to the phosphorus naturally found in brain and nerve cells, being easily and quickly assimilated, the work of creating nerve force, strength and vigor being immediately taken into the human system.

There are many reports of astonishing results from its use, showing remarkable improvement even in stubborn cases of long standing nerve weakness. As there are many kinds of phosphates, care should be exercised to procure the genuine Nitro-Phosphate as sold by Lee & Osgood in Norwich and all good druggists.

THE man or woman afflicted with headache, swollen sinuses, stiff joints, rheumatic pains or other symptoms of kidney trouble is entitled to sympathy and should have help.

Nature gives early warning of kidney trouble by puffiness under eyes, spots before the eyes, dry mouth, biliousness, weakness and pale, waxy skin.

It is unwise to neglect the slightest symptoms of kidney trouble. Give the kidneys the help they are calling for.

Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the body of poisons. With kidneys and bladder properly functioning, appetite is restored, refreshing sleep is possible, strength and energy come as a natural result.

C. F. Reynolds, Elmira, N.Y., writes: "Three months ago I was sick in bed with kidney trouble. My back ached so severely I could not get up. We read of Foley Kidney Pills and I bought some and commenced taking them. In a few days I was up and out of bed and upon keeping the treatment up for some time I was able to do my work, and have had no more backaches."

Raymond F. Crist, deputy nationalization commissioner, who has been appointed director of citizenship of the Department of Labor, a new bureau which has just been created. Expansion of the bureau's work in teaching American ideals to alien residents is planned by the department. Mr. Crist has had charge of the Americanization

"You don't look cross with those Glasses, Daddy."

At last Brown has found the perfect glasses for NEAR and FAR vision.

No longer is he obliged to peer over his reading glasses to see distant objects.

No longer does he fuss with two pairs of glasses. And no longer does he wear the bifocals with the unsightly seam or bump that makes him look old and cross.

Brown's eyes are now gaining in looks as well as in usefulness.

His eyes are constantly in focus with everything within his range of vision. He can see near and far with the same pair of glasses, and no one but himself knows that they are two-sight glasses, because they are KRYPTOK glasses, entirely free from seam or bump—that's why they are universally known as "the invisible bifocals."

If you need two-vision glasses, let us tell you more about KRYPTOKS.

Eyes Examined Lenses Ground

C. A. SPEAR

OPTOMETRIST

218 Main Street, Franklin Square, Somers Building

business. Workers in Pomfret, Woodstock, Thompson and other towns in this vicinity were busy collecting on Monday, but no reports on the results of their work had been sent in here.

Some of the towns are going to try to make a record better than any of their preceding ones in going "over the top," and that some of them have done this probably will be announced this week.

The county-wide drive for members for the Windham County Farmers' association brought very satisfactory results. Perhaps no town in the county made a better showing than Pomfret. Final figures are not available as yet, but it is known that 80 new members came in from the town of Pomfret, which is now represented in the association by 130. "Splendid membership gains were made in other towns so that the association this year will serve a widely extended clientele."

The excellent service given by the association, under the direction of County Agent B. W. Ellis during the past year is now answered in such a satisfactory way as the farmers have replied by coming into the organization. As the work of the association has become more extended and better known and appreciated the farmers have continued in ever increasing numbers to show their interest.

Superintendent William Macdonald of Putnam's schools is spending a few days in Putnam. He feared that he might have to submit to an operation for appendicitis, but this possibility has been set aside for the present. Supt. Macdonald is now located in New York, engaged on reconstruction work, along educational lines, for the government. His work brings him into very close touch with hundreds of men who have been in service and who have been wounded and disabled. The government is endeavoring to fit these men to go back to civil life and fill positions that will open the door of opportunity and Mr. Macdonald is finding his work, which is chiefly in making surveys of what a man can do, what he would like to do, what he is best fitted to do, his educational qualifications, etc., etc.

The body of Mrs. Rita P. McDuffee, 50, who died at St. Vincent's hospital in Worcester, Sunday, was brought to her home on Eden street. Mrs. McDuffee was the wife of John B. McDuffee. Her death followed a surgical operation.

This city will be represented by a large delegation at Boston Friday.

Mr. and Mrs. N. E. Lord of East Hartford were guests at E. G. Lord's Saturday.

Mrs. Olive Parkhurst of Middletown was the week-end guest of her mother, Mrs. F. A. Burnham.

Robert Porter and Mr. and Mrs. Winthrop Porter of New York state were Easter guests of Mr. C. Porter.

Mrs. Elizabeth Cummings of East Berlin was home for the week-end.

Among Hebron people in Williamstown Saturday were Mr. and Mrs. E. A. Raymond, Mrs. W. Brehaut, Ward Porter, Mr. and Mrs. Bailey and friends, Mrs. Elizabeth Cummings and Mrs. M. Bassett.

Miss Florence Smith of Cromwell was the guest over Easter of her parents, Mr. and Mrs. E. T. Smith.

Miss Doris Tennant and brother Alton Tennant of East Hampton were guests of Mr. and Mrs. J. E. Tennant for Easter.

Walter Hewitt and David Strong who recently returned from overseas and been in town on a short furlough, returned to Camp Devens Sunday.

Fred Brehaut from overseas, was a guest at his brother's, W. Brehaut, for a few days, returning to Camp Devens last week.

Mr. Howie, who recently sold his place, has rented the place owned by F. H. Bissell of East Hampton and will move there soon.

The Congregational church was attractively decorated with potted plants Sunday. The Easter music by the choir was exceptionally fine. The pastor, Rev. Mr. Davis, preached a very interesting Easter sermon.

The L. A. S. met with Mrs. H. F. Porter Tuesday afternoon. Friends of F. A. Burnham are pleased to learn that he is so much better he is able to go out daily.

Miss Irma Lord of Williamstown has been at home for a part of her Easter vacation.

Winsted.—It is expected that the trial of Thomas Williams of Morris, charged with murdering George Johnson of Milton by shooting him last July, will begin in the superior court this week.

What is Castoria

CASTORIA is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the Signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-Good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. Albert W. Kahl, of Buffalo, N. Y., says: "I have used Castoria in my practice for the past 26 years. I regard it as an excellent medicine for children."

Dr. Gustave A. Eisenbrauer, of St. Paul, Minn., says: "I have used your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Buchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

Dr. J. R. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market."

Dr. R. E. McKelton, of Omaha, Neb., says: "I find your Castoria to be a standard family remedy. It is the best thing for infants and children I have ever known and I recommend it."

Dr. L. P. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. It is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation? What can a physician add? Leave it to the mothers."

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Shaw, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."
